Earthlink Kids

We guarantee you will love our products.

They are comfy, robust, high quality fabric, easy to wash, and your kids will love them – plus you're also doing your bit to help the environment.

What makes us special?

Our range of kids-wear uses quality, re-purposed source materials, primarily new high grade merino, that would otherwise have been destined for landfill.

We take environmental and social responsibility very seriously. We've stopped that waste and supported our community by sorting and manufacturing right here in Wellington.

Check out our great range in our Clothing Shop.

They're perfect for layering, competitively priced, and made with a whole lot of love.

Clothing Shop

Born from a desire to stop corporate uniforms going to landfill, many corporates donate us their BRAND NEW uniforms. Made on site at Earthlink, clothing and accessories have been re-purposed or left as new - Work attire, shirts, jackets, ties, scarves, fabric bundles, haberdashery, reusable bags and more!
