Whanau/Family Invitation

Your whanau are invited to be part of the journey you'll take with us -
To work together and better support you.

We can support you and your whanau by providing information and an understanding of overcoming obstacles, while celebrating your strengths and progress.

Wellness & Work Skills Programme

Earthlink specialises in delivering quality personalised support through our 10 week training programme, designed for people with lived and ongoing experiences of disabling issues.

".....Returning to work after a period can be daunting. Having someone work beside you, supporting and encouraging you; can be the difference between thinking about work and actually getting a job.

Our work-based training program helps those who experience disabling obstacles to gain practical skills.

We'll help you find tasks to suit your abilities, not your disabilities.

Help you find things that you can enjoy, based on your preferences, strengths and experiences.

We work with other support options to establish personalised support and transition plans.

Wellness & Work Skills Training

Our 10 week training program is designed for people with lived experiences of mental health distress and other disabling barriers to gain practical skills around personal well-being and workplace experience.

The first 2 weeks consist of classroom activities for 2 days a week, focusing on health, safety, and self wellness sustainability in a workplace.

This is followed by 2 days a week for the next 8 weeks of interactive work-based learning, with mentoring and on the job support in various units, including furniture repair, small motor maintenance, dismantling, retail, stock prep, and on the recycling run.

We aim to make our programme effective and fun for those seeking to enter into paid employment.

Ongoing Support

Once you've finished our training, we offer excellent post-programme support while you look for volunteer and/or paid employment opportunities in the community and have ongoing support while you explore them.

Other Ways We Can Help

- CVs
- Cover letters
- Job matching
- Esteem building
- Interview skills
- Personal reflection
- Career counselling & planning
- Job shadowing
- Employment contract advice
- Access to further MSD support
