

Earthlink

Incorporated

We're a not for profit charity organisation.

We have funding from government and community. We also operate a number of business ventures, to assist in self-funding and creating opportunities in our community.

Our services have been established to enable participants to think, plan and take control of their future - We empower our people and encourage them to reach their full potential - Whatever that may look like for them.

We aim to provide a space where people are encouraged and respected.

We measure our success in social, environmental and financial performance.
"Three pillars of sustainability"

People. Planet. Prosperity.

To affirm the place of Māori as Mana Whenua and to seek to actively promote the spirit of equality and partnership inherent in Te Tiriti o Waitangi

Moving? Down-Sizing? Want to Recycle your Goods?

Drop your goods to us at
25 Peterkin Street, Taita
(down the driveway next to LG Anderson)
or give us a call on **04 567 7111**.
We can arrange to pick up from
your home or workplace.

Repair, Restore, Reuse & Recycle.

Anything we can't Fix, Upcycle or Reuse, we Recycle.

Much of our recycling is electrical waste (E-waste), including TV's, washing machines, computers, stereos, tools and all sorts of other funky items. We also take bicycles, mowers, chainsaws, scooters and the like. Our dismantling department recycle Steel, Copper, Aluminium, Electrical Wiring, and all kinds of other bits and bobs.

School Tours

We form part of the World Of Waste Tour, bringing young people through various sites in the Hutt that play part in dealing with waste in our communities.

First Aid Training

We offer registered and recognised First Aid training.

We can provide customised courses to meet your needs - We can cater to those with learning difficulties, physical barriers, anxiety, and alike. AND If you meet the criteria, your training and travel costs could be **FREE!** *Ask us what we can do for you!*

Wellness & Work Skills Training

Our 10 week training programme is 2 days a week, and consists of 2 weeks of classroom activities focusing on health, safety and personal wellness in the workplace.

This is followed by 8 weeks work based learning, mentoring and on the job support in Earthlink's various units, including retail, furniture repair, motor maintenance, dismantling and recycling.

Employment Training

Specialising in delivering quality personalised employment services for people with disabilities and other barriers to employment.

We can provide support to engage with pre-employment training, work experience and other opportunities that can work towards job readiness.
